

BUILDING YOUR STRATEGY, STEP BY STEP

# Strategy Summary Poster 3

Instructions

**Step 1:**  
Review the “Prompt Card: Prioritising your Solutions.” Think about the prioritisation criteria to decide on the solutions the strategy will focus on.

**Step 2:**  
On the “Table Worksheet: Solution Ideas,” everyone in the group should use a pen or sticker to mark their two favourite ideas for each barrier.

**Step 3:**  
As a group, use your votes to decide the top one to three solution ideas for each of the prioritised immunization barriers for your group.

**Step 4:**  
Discuss in your groups and add any additional barriers that each prioritised solution may address.

Priority Community Name:.....

Prioritised Barriers (Write your top 3 to 5 prioritised immunization barriers)	Prioritised Solution(s) for each prioritised barrier (Identify your prioritised solution for each barrier—you can pick up to a maximum of 3 solutions per barrier)	Are any other barriers addressed with this solution? (Write if any of your other priority barriers are addressed by these solutions)
